

# daintree tonic express 3 in 1

item no.: 3697

## what it is

Tonic Express is a 3 in 1 – cleanser, toner and moisturiser suitable for all skins and ages. It is a fast acting, effective and high performance formula that rates as an all-you-need alternative to any skincare programme to give skin beautiful condition.

## what it does

- Cyclomethicone, derived from sand, helps regenerate cells and adds elasticity to the skin.
- Complicated cleansing and moisturising regimes can tire the skin resulting in an older looking complexion. The Tonic Express formula cleanses without surfactants or rubbing, tones without stripping the skin, and moisturises with a film that absorbs to soften and strengthen the dermis.
- Removes any trace of make-up.
- Moisturises and softens skin.
- Tones skin and clarifies complexion.

## main active ingredients

**Desert Plum** – possesses several considerable immune stimulative properties to help regenerate the skin tissue and soothe tired skin.

**Citric Acid** – a natural pH buffer present in large volume in citrus fruits. It provides high quantities of Vitamin C to the skin.

## how to use

Apply with a cotton pad in smooth, sweeping movements to clean off all make up. Repeat with clean cotton until the cotton comes away from the skin clean and the skin is glistening, moist and soft to the touch and sight.

Shake well before use.

## when to use

May be used morning and night. Can be alternated with Daintree Foaming Softening Cleanser to allow variety to the skin's mantle.

## companion products

For best results, also use Daintree Foaming Softening Cleanser and Daintree Healing/Hydrating Moisturiser.

## results

- Gives skin beautiful condition
- Provides moisture to the skin
- Clarifies skin tone and complexion
- Increases suppleness of the skin
