CELEBRATE CHRISTMAS NATURALLY with The Natural Source (TNS)

Making a welcome return in time for the festive season - Australia's own The Natural Source (TNS) will release a range of gift giving solutions to suit every budget from the ever-popular Christmas gift packs to luxurious & pampering body and skincare products. Followers of this much-loved Australian made and owned brand will be delighted with the exciting Christmas packs as well as the trusted products of all the brands under The Natural Source (TNS) umbrella including: Daintree, Terra Firma, Mayaltha, Camouflage Colour, and hi-shine hair care.

Across all brands and products under The Natural Source (TNS) their philosophy remains steadfast - to bring an all natural and clean skincare and body product collection to their clients, products that are free of worrying chemicals and unknown ingredients. TNS products are made of naturally derived, aroma botanical, organic and/or naturopathic plant active ingredients. The products are so gentle they can be used on any skin type even the utmost sensitive skins can use TNS with complete confidence. To complete the natural package – all TNS products are minimally packaged in recyclable packing components to avoid ecological waste.

The natural beauty of the Daintree is truly evident in TNS's Daintree collection - a premium skin, body and suncare program. Daintree by TNS propels the user into the naturopathic world of The Natural Source (TNS), a world that captures the lushness and purity of all that is Australia. This Christmas indulge friends, family and loved ones in the Daintree and choose from one of the following gift giving packs

Under \$100: Enjoy a spa facial in the privacy of your own home with **TNS's Daintree Beauty Spa Facial Pack** which retails for just **\$95**. The pack contains the festive scented Fruiting Cassia Foaming cleanser, antioxidant facial exfoliator, essential multi defence day moisturiser, balancing softening toner and the pack comes with a facial brush, frangipani candle and is presented in a festive TNS gift box.

Diamonds are a girl's best friend and what better way to display your affection this festive season with **A touch of Diamonds**, a luxurious light body whip with a sexy shimmer! **Daintree's A Touch of Diamonds** contains real Australian diamonds from the Argyle mine region in WA and results in a glamorous, luminous, radiant 'touch of diamonds' finish to the skin. Retail for just \$65

Under \$50: Keep safe this Summer with **TNS's Daintree Summer Skin Pack** - for outdoors and sun lovers the broad spectrum UVA and UVB 30+ sunscreen protection is a must and for times when you want that sun-

kissed look without the harmful rays the **Tropical Sunless Tanner** is the ideal option. A pair of exfoliating gloves is included in the kit to prepare skin for the sunless tanner. The pack comes in a handy clear mini toilette bag. **Priced at just \$49.95.**

TNS's Daintree Body Essentials Pack pampers from head to toe and retails at \$49.95 and boasts a Fruiting Cassia & Vitamin E Hand & Nail Crème providing an intensive hydration hit without the heavy residue. A welcome relief this Summer will be The Tropical Sugar Cane Soothing / Moisturising Leg & Foot crème which cool tired legs and feet, combat dryness and **contains slow release moisturising properties**. Products come in clear mini toilette carry bag with carry handles.

For a deluxe layering regime – TNS's Daintree Body Pack contains a mini **Tropical Sugar Cane** gentle rejuvenating shower gel, **Tropical sugar Cane Antioxidant Body Scrub** to thoroughly cleanse and re-energise the skin. And the final layer - **Wild Maté & Shea Butter Firming / Toning and Nourishing Crème** designed for rapid absorption leaving skin feeling soft and smooth. Retails for \$59.95 and comes in an organza gift box.

Terra Firma aromaspa by The Natural Source (TNS) is an affordable, simple to use and understand skin and body care collection. This all-Australian 'aroma-botanical' range is formulated for everyday use and like all TNS products is suitable for use on the most sensitive of skin types. The collection caters to all age groups and boasts a boutique skincare range especially formulated for men's unique skin and hair care requirements. And for our tiny tots – **Little Terras** offers five gentle products which have been designed for the special little people in our lives.

Under \$30 - For HIM: Treat the man in your life to the latest Terra Firma Men's Body Pack this Christmas.
