

terra firma body bronze lotion

item no.: 10701

what it is

A delightful body lotion made with sweet almond and caramel. A moisturising and shimmering bronzing lotion in one.

what it does

- Thoroughly moisturises and protects your skin, leaving it silky soft and smooth.
- Gives skin an amazing bronze shimmer and natural glowing tint to bring pale skin to life!
- Provides a beautifully subtle sugary fragrance to skin.

main active ingredients

Almond Oil – A skin-conditioning agent, which leaves skin supple and smooth. It is effective yet gentle, and so is suitable for even the most sensitive skin.

Caramel – Vitamin packed. Also provides a beautifully subtle sugary fragrance to skin.

how to use

Apply all over the body and massage in for even results. Wash hands thoroughly after application.

Can be layered with Terra Firma Body Glow Lotion and Powder.

when to use

Use at any time of the day. Perfect for use during winter-time to liven pale skin, or whenever you want to give your skin an amazing, all-over bronze shimmer.

companion products

For best results, also use Terra Firma Body Glow Powder.
