

camouflage crayons

In 51 diverse colours!

what it is

Multi-functional colour crayons for they eyes, lips cheeks and body!!

Patented formula.

100% Bovine free and contains only naturally-derived pigments and colours.

what it does

- Camouflage Crayons can be used anywhere on the face or body to create that sense of fun, theatre, class or individuality!
- In 40 diverse colours to suit any mood or outfit. Use with Camouflage Blenders to create even more choices and for that glossy/metallic effect.
- Specially designed 'dual-action' sharpener allows crayons to be sharpened to a fine point for fine lines or to a round point for 'larger surface' coverage.

main active ingredients

Hydrogenated Coco Glycerides

– Extracts of coconut infused with hydrogen to make suitable for use. Possesses moisturising properties and provides natural fragrance.

Carnauba Wax – Derived from the seeds of palm leaves. Adds gloss for a silky smooth finish.

how to use

Use on their own or with Camouflage Blenders to create the perfect colour to suit any mood or outfit.

when to use

As desired.

companion products
