

hi-shine extra care conditioner

item no.: 3499

what it is

An intensive naturopathic conditioner designed to moisturise damage, dry or chemically-treated hair to leave it nourished and brilliantly shiny.

what it does

- Thoroughly conditions hair, leaving it hydrated, silky soft and smelling beautiful.
- Feeds hair with minerals and proteins essential for strong, healthy hair. Will help to restore and revitalise dry, fragile, stressed and even chemically-treated hair.
- Helps to strengthen and protect hair.
- Gives hair added volume.
- Gives hair incredible shine and lustre.

how to use

Place a small amount of conditioner onto the palm of your hands and massage evenly throughout wet hair. Massage into hair and scalp. Work through to the ends and rinse. Repeat if necessary.

main active ingredients

Wheat Germ Protein – contains a combination of lipids, pure mineral salts and pure vitamin E to help optimise the balance between hair texture and suppleness.

Henna Extract – Known since ancient times as the 'Queen of Flowers', natural henna is renowned for its hair strengthening and volumising properties as well as its ability to improve shine

when to use

As required.

companion products

For maximum results, also use Hi-Shine Extra-Care Shampoo and Hi-Shine Super Shine Mask.
